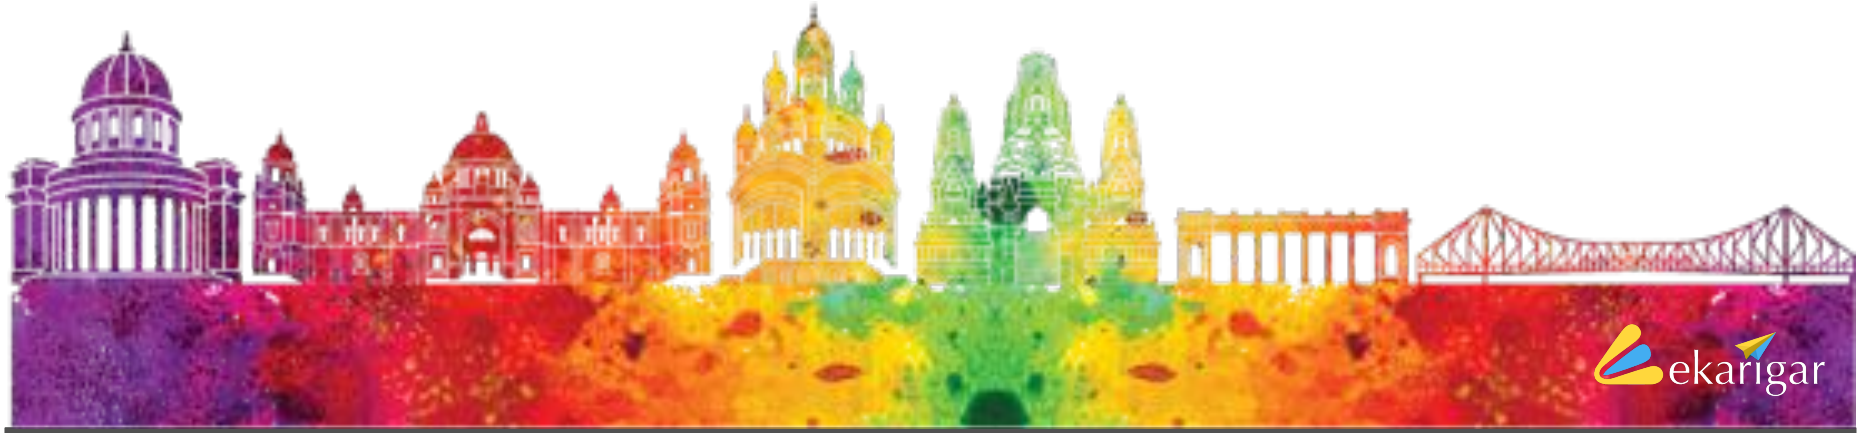
ekarigar

COMPANY PROFILE

Who we are

Hi! E-karigar, comprising a sleek team of Business Analysts, Programmers & Developers, Data Base Experts, Mobile App Developers, Penitration Testing Experts, Quality Testers, Graphic Designers, CGI Animators, Content Writers who have a one-point agenda --- cut the crap and deliver. With a fresh, savvy approach to modern-day technologies, we create business solutions both for process automation and marketing.

E-karigar has over 13 years of experience in the IT industry, which gives the company hands - on knowledge of 'what the client really needs'. And, we know how to make it happen.



What we do

“Pervasive Creativity is a state of being where the impulse to create, to innovate, to generate is unrestrained and ever present”

We specialize in custom software development, ERP, Salesforce Setup & Integrations, website designing, web development, Custom word-press development, mobile application development (iOS & Android), E-commerce, data analytics, IOT Development, API based integrations & more.
