Proposal for Redesigning SomaRiya.com

Project Objective

To design and launch a fully customized Shopify-based e-commerce website for **SomaRiya**, along with professional content, image editing, Google Ads asset, and marketing-ready features like WhatsApp chat and enquiry buttons.

Scope of Work

1. **Shopify Theme Setup & Customization**
    - Setting up premium theme via Shopify Partner Account
    - Mobile responsive layout design for homepage, collection pages, product detail pages
    - Setup of header, footer, banners, featured products, testimonials, and policies
2. **Product Upload & Categorization**
    - Upload of up to 100 products with images, descriptions, pricing, and variants
    - Creation of product collections/categories (e.g., Sarees, Kurtas, Dresses)
3. **Content Writing**
    - SEO-friendly content for:
        - Homepage
        - About Us
        - Contact Page
        - Policies (Shipping, Returns, Size Guide)
        - Category Descriptions
        - 10 Product Descriptions
        - Meta Titles & Descriptions
4. **Image Editing & Creative Design**
    - Editing of 100 product images (brightness, background cleanup, consistency)
    - Design of 5 homepage banners and 10 category thumbnails
5. **Enquiry Button Integration**
    - “Enquire Now” buttons on all product and category pages, linked to form or WhatsApp
6. **WhatsApp Chat Integration**
    - Floating WhatsApp chat button with custom greeting, desktop and mobile-friendly
7. **Google Asset**
    - Setup of:
        - Google Analytics

        - Google Search Console
        - Google Tag Manager
    - Creation of ad-ready assets:
        - 5 Headlines, 5 Descriptions
        - Logo, product banners, lifestyle creatives
8. **Payment Gateway & Shipping Setup**
    - Payment integration & logistics API as per existing
    - Ship rocket integration for logistics & tracking
9. **Post-Launch Support & Training**
    - 1 month support for technical fixes and adjustments
    - Basic Shopify training (product management, order processing, dashboard use)
